John raised with me the question of nominees for the CLLO Office Director position. He asked me to provide to you those names which I had. First, of course, I believe Walt Elder should receive careful consideration; [Redacted] has also asked to be considered and is supported by Fred Hitz; [Redacted] called me shortly after my new status was announced and asked to be considered. I have identified two candidates that I would urge be looked at along with Walt Elder: Pat Long, currently on the HPSCI Staff as Minority Counsel; and [Redacted] currently Ben Evans' associate. Finally, Dan Childs responded with a name, [Redacted] from DIA as being particularly effective on the Hill (I don't know [Redacted] but trust Child's judgment). Please let me know if you would like to get together and discuss any or all of these candidates.
